Scholar Grade Release Form

The Jack Kent Cooke Foundation requires that you send in copies of your transcripts after each semester as a condition of your scholarship. Sometimes we find it necessary to contact the school to request transcripts when Scholars fail to promptly send in the required paperwork. In order to comply with the Family Educational Rights Privacy Act of 1974, we must have signed permission from you before your college or university can release this information.

This signed form will be kept on file by the Foundation for the duration of your scholarship and will only be used if your required transcript is not sent as directed. You will not have to sign a new form each year.

In the future, if you do not want your school to release grade information to the Jack Kent Cooke Foundation, it will be your responsibility to notify us in writing. Please be aware, however, that without this information, the Foundation may be unable to renew your scholarship.
