

COLLEGE SCHOLARSHIP PROGRAM PROFILE

JACK KENT COOKE
FOUNDATION

The Jack Kent Cooke Foundation is dedicated to advancing the education of exceptionally promising students who have financial need. Since 2000, the Foundation has awarded \$282 million in scholarships to more than 3,300 students from 8th grade through graduate school, along with comprehensive academic advising, career pathway counseling and other support services. The Foundation has also provided \$133 million in grants to organizations that serve such students.

THE PROGRAM EXPERIENCE

The Cooke College Scholarship Program is an undergraduate scholarship program available to high-achieving high school seniors with financial need who seek to attend the nation's best four-year colleges and universities. Each Cooke Scholar has access to generous financial support for up to four years, ongoing academic coaching and advising, graduate school and career advising, and access to a thriving network of Cooke Scholars and Alumni. As part of their scholarship, recipients may:

- Receive a scholarship that will fund a portion of educational costs, including tuition, room and board, books, and other required fees for the period required to complete the undergraduate degree program. The award, which is last dollar funding after all institutional aid, aims for Scholars to complete their undergraduate education with as little debt as possible. The maximum amount of the Cooke Foundation's scholarship is \$55,000 per year.
- Pursue any area of study.
- Have access to one-on-one advising about selecting a college, navigating financial aid, transitioning to college, and maximizing the college experience.
- Be eligible for opportunities for internships, conference stipends, and study abroad, and to apply for the Cooke Graduate Scholarship.

WHO WE SELECT

Cooke College Scholarship recipients are selected from a nationwide applicant pool each year. At a minimum, students must:

- Plan to graduate from a U.S. high school in spring 2024.
- Intend to enroll full time in an accredited 4-year college in fall 2024.
- Earn a cumulative unweighted GPA of 3.5 or above in high school.
- Demonstrate financial need.
We will consider applicants with a maximum annual family gross income of \$95,000. Last year's recipients had a median family income of approximately \$40,000. During the selection process, a full financial review will take into account all income and assets of the student and the student's parents.

APPLICATION OPEN
AUGUST 24, 2023 - NOVEMBER 16, 2023

APPLY ONLINE THROUGH THE COMMON APP
JKCF.ORG/COLLEGE

Cooke Scholars come from diverse racial and ethnic backgrounds and from rural, suburban, and urban communities. Many Scholars are the first in their families to pursue higher education.
