Introduction

Welcome to the Cooke Access Portal (CAP), a system created by the Jack Kent Cooke Foundation to help Scholars fulfill their scholarship requirements. Scholars will use CAP throughout their time as a Cooke Scholar to input grades, test scores, upload transcripts, build high school and college lists, communicate with the Foundation, and perform other required tasks. Parents/Guardians may also access CAP to view their Scholar's CAP account and to grant/remove access to an additional parent/guardian. Parents will have a read only view of their Scholar's account. Please see the CAP Parent Access section later in this manual for further information.

The sign in screen will look like this:

The screenshot shows the login page for the Cooke Access Portal (CAP). On the left, there is a welcome message: "Welcome to the Cooke Access Portal (CAP) for scholars, young scholar parents/guardians, and financial aid officers. CAP also allows financial aid officers from higher education institutions to submit scholars' Cost of Attendance forms for processing." On the right, there is a "Login" section with fields for "Email:" (with a placeholder "Enter Email") and "Password:" (with a placeholder "Enter Password" and an eye icon for toggling visibility).
