# NexGen EAP is Now Bree Health

We're excited to share that NexGen EAP has officially transitioned to Bree Health! This change reflects our commitment to delivering a modern, innovative, and seamless experience while continuing to provide the same trusted support you've relied on.

## What's Staying the Same?

- **Your Benefits:** All the services you know and love, like counseling, coaching, legal/financial support, and more, are still available.
- **Your Access:** Your NexGen account credentials will work seamlessly on Bree Health. Simply log in with the same username and password to access your benefits.
- **Your Support Team:** Our experienced professionals are still here to help you every step of the way.
- **Your Active Service Requests:** Any open counseling and coaching requests will not experience any changes or disruptions, and work/life service requests are now available through the Bree Health website and app.

## What's New?

- **Enhanced Platform:** Bree Health offers a modernized app and website, making it easier than ever to access resources, schedule appointments, and get the support you need.
- **Expanded Services:** You'll now have access to new tools and an improved user experience.
- **Designed for You:** Bree Health is built with your needs in mind, combining innovation and accessibility to better support your well-being journey.

# Why the **Change?**

This transition to Bree Health represents a step forward in how we deliver well-being solutions. With a focus on innovation, accessibility, and personalized support, Bree Health is designed to better meet your needs and help you thrive.

# Practical Solutions for Everyday Life

Life can be full of challenges, but Bree Health is here to help you navigate them with ease. Here are some real-life scenarios where Bree Health can make a difference:

## Managing Stress and Burnout

You're feeling overwhelmed at work, struggling to meet deadlines, and it's affecting your sleep and focus.

- Schedule a session with a certified coach to develop strategies for time management and stress reduction. Explore relaxation techniques through our video library or request resources on improving work-life balance.

## Coping with a Life Transition

You've recently moved to a new city and are having difficulty finding childcare and adjusting to your new environment.

- Request assistance from our concierge team to locate childcare providers and community resources. Meanwhile, schedule a coaching session to discuss strategies for adapting to your new surroundings.

## Reaching Personal Goals

You want to improve your fitness but don't know where to start.

- Use Solutions Paths to create a personalized, step-by-step plan tailored to your goals. Receive guidance, tips, and progress tracking to help you stay motivated and build lasting habits.

# Real Stories. **Real Impact.**

"Bree Health helped me take a step back and really figure out what I needed. The coaching sessions and tools made it easy to tackle things one step at a time, and now I feel like I've made real progress. I'm more focused, less stressed, and actually excited about what's next."
